# GOWDY GRINDER

CURT GOWDY STATE PARK - MEET AT ASPEN GROVE

The Gowdy Grinder is a cross-country mountain bike race that takes place on the trails of Curt Gowdy State Park in southeastern Wyoming. The beginner races are on a course with a handful of short technical sections, but mostly smooth riding. The more advanced categories will find plenty of the challenging riding typical of Curt Gowdy. Come out for a great day of racing and reconnecting with your riding pals (or rivals) for the spring.
